The services offered by MMW Europe

1. Your Partner Throughout the Recognition Journey: Direct Engagement with Authorities

At MMW Europe, we are committed to guiding you through every step of the recognition process, whether you are seeking equivalency or comparability of qualifications. We work directly with key stakeholders – from Ministries and regulatory bodies to universities and public and private businesses – ensuring that your application is handled by the right authorities for a smooth and efficient resolution.

2. Streamlined Acquisition of the Declaration of Value

The Declaration of Value is a crucial document for the legal recognition of foreign academic credentials in Italy. Thanks to our robust network within Italian consulates across the globe, we provide specialised assistance to secure this document quickly and accurately. We manage the entire bureaucratic process, so you don't have to, ensuring that your credentials are recognised without delay.

3. Precision in Sworn Translation and Document Legalisation

A precise sworn translation is essential for the recognition of your academic and professional documents. Our certified translators produce high-quality translations that comply with all Italian legal standards, guaranteeing the accuracy and legitimacy of every document submitted. Beyond translations, we also handle legalisation services, obtaining official certifications from relevant authorities to ensure your documents are fully recognised and accepted in Italy and internationally. Experience the peace of mind that comes with a trusted partner who understands the intricacies of the recognition process. At MMW Europe, we handle every detail, so you can focus on your future.

4. Specialised Consultancy for the Recognition of International Qualifications

At MMW Europe, we provide bespoke consultancy services to businesses, professionals, and students seeking to navigate the complex process of recognising foreign academic and professional qualifications in Italy. We also facilitate the equivalency of Italian qualifications abroad, guiding you through every step, from initial application to final approval. Our expertise extends to handling enrolment procedures at international universities and professional associations, ensuring that you have the support and clarity needed to succeed in any jurisdiction.

Comprehensive Legal Support for Administrative Process Recognition

Essential Steps in the Recognition Process:

- 1 Initial Evaluation and Tailored Legal Advice:** We begin with a comprehensive assessment of your foreign academic or professional qualifications to identify the most suitable recognition pathway, aligned with current Italian regulations and your specific objectives. Our bespoke legal consultancy ensures that every step is tailored to achieve your goals efficiently.
- 2 Document Preparation and Management:** We offer end-to-end support in preparing and organising all required documentation, including legalisation, the acquisition of the Declaration of Value, and certified sworn translations. Our meticulous attention to detail ensures that every document meets the stringent requirements of Italian authorities.
- 3 Direct Liaison with Competent Authorities:** Acting on your behalf, we engage directly with Italian universities for academic recognition or the relevant ministries for professional qualification recognition, ensuring that your application is submitted accurately and promptly.
- 4 Ongoing Monitoring and Comprehensive Support:** We maintain continuous oversight of your application, providing regular updates on its progress and offering expert assistance for any required corrective measures, additional documentation, or procedural clarifications demanded by the authorities.
